

AAHE Summer Academy Learning Outcomes

The following learning outcomes were achieved and/or are ongoing from the Organizing to Foster the Scholarship of Teaching and Learning Cluster work at the AAHE Summer Academy of 2004:

1. Guidelines for a funded Grant Program were finalized and are attached. They are currently being distributed to cluster member campuses;
2. An online Data Base for SoTL researchers was created. The link is <http://www.cat.ilstu.edu/sotlcollaboration/>.
3. Sample recommended language for Promotion and Tenure documents regarding SoTL work was written and is being revised and finalized;
4. Strategies to support SoTL work at the department and at the administrative levels were developed and are being finalized.
