

WORKSHOP: AN INTRODUCTION TO THE SCHOLARSHIP OF TEACHING AND LEARNING

At ISU, the scholarship of teaching and learning is the *systematic reflection/study on the teaching and learning of our Illinois State University students made public*. This workshop is designed to introduce attendees to SoTL, describe ways to engage in SoTL research, and examine the benefits of SoTL as part of a productive research agenda. Examples of SoTL work will be provided. Resources to support faculty will be reviewed.

The workshop is an introductory-level workshop intended for faculty interested in learning about SoTL and/or developing a SoTL research project.
