

SELECTING METHODOLOGIES FOR YOUR SOTL RESEARCH PROJECTS

At ISU, the scholarship of teaching and learning is the systematic reflection/study on the teaching and learning of our ISU students made public. This workshop is designed to review and explain various methodologies common in SoTL research, with an emphasis on helping participants select the optimal methodology for their teaching and learning research projects.

The workshop is open to all ISU faculty, academic staff, and graduate assistants w/a current assistantship interested in learning about SoTL.
