

Focus Group Discussion Prompts

Describe your role in the SoTL research project team

What each participant did

Similarities and differences with others

Talk about the expectations you had when you volunteered to be a part of the SoTL research team

Where did these expectations come from? Prior research experience? Teaching? Own learning experiences?

Discuss what you learned by participating in the SoTL project research team

Cognitive/intellectual skills

Affective/interpersonal skills

Life/career skills

Self-awareness?

Share how you felt about your role/tasks/learning as a part of the SoTL research project team

Any recommendations you would give the SoTL research team faculty leaders?
